## El Castillo (Spanish Edition) Franz Kafka

El castillo (Das Schloß) es una novela del escritor austrohúngaro Franz Kafka (1883-1924). Publicada póstumamente en 1926, se trata de una obra inconclusa que Kafka había empezado a escribir en enero de 1922.

Su protagonista, conocido solamente como K., lucha para acceder a las misteriosas autoridades de un castillo que gobierna el pueblo al cual K. ha llegado a trabajar como agrimensor. En líneas generales, El castillo trata sobre la alienación, la burocracia, y la frustración, aparentemente interminable, de los intentos de un hombre por incorporarse al sistema.
