Embedded Grace: Christ, History, and the Reign of God in Schleiermacher's Dogmatics (Emerging Scholars)

Kevin M. Vander Schel

Embedded Grace: Christ, History, and the Reign of God in Schleiermacher's Dogmatics (Emerging Scholars) Kevin M. Vander Schel

Scholars are now at work not only rethinking Schleiermacher's relation to the modern and contemporary theological tradition, but re-examining the dogmatic intricacies and commitments within his texts. Situated within this revisionist milieu, the author takes up the important issue of the coordination of grace and history in Schleiermacher, arguing for its significance in understanding the dynamics of Schleiermacher's dogmatics and its grounding and realization in Christology. The project not only continues the recasting of Schleiermacher's work in its wider context, but unpacks the dogmatic network within the paramount texts, as well as bringing crucial texts to the fore often neglected in English language scholarship. As such, this volume performs an innovative rethinking of revelation, grace, history, Christology, and ecclesiology in Schleiermacher, with particular attention to the pivotal dogmatic volume, *The Christian Faith*, and the unpublished *Ethics*. A commanding volume for scholars and students in modern and contemporary theology.
