Sistah Deprogrammed was written from the heart of a woman who once had no idea who she was. Jackson is sharing her life to encourage women to grow, be free and redefine themselves. Through her personal stories of adversity and triumphs, she inspires women to create their own definition. One of life's greatest challenges is confronting the plethora of childhood hurts and adult disappointments. Learning from your mistakes and choices is a pathway to personal growth and freedom. As she reveals the most intimate details of her life, Jackson's powerful testimony will give you courage to face your challenges through complete transparency. Imagine being sixteen and pregnant.
