A History of the Chinese Language Hongyuan Dong

A History of the Chinese Language provides a comprehensive introduction to the historical development of the Chinese language from its proto Sino-Tibetan roots in prehistoric times to Modern Standard Chinese. Taking a highly accessible and balanced approach, it presents a chronological survey of the various stages of Chinese language development, covering crucial aspects such as phonology, syntax and semantics.

Features include:

- Coverage of the key historical stages in Chinese language development, such as Old Chinese, Middle Chinese, Early Modern Chinese, Classical Chinese and Modern Standard Chinese
- Treatment of core linguistic aspects of the Chinese language including phonological changes, grammatical development, lexical evolution, vernacular writing, Chinese characters and Modern Chinese dialects
- Inclusion of many authentic Chinese legends and texts throughout the book, presented through a rigorous framework of linguistic analysis to help students to build up strong critical and evaluative skills and acquire valuable cultural knowledge
- Integration of materials from different disciplines, such as archaeology, anthropology, history and sociolinguistics, to highlight the cultural and social background of each period of the language
- Helpful appendices to aid students with no prior knowledge of linguistics or the Chinese language
- Companion website at www.routledge.com/cw/dong offering a wealth of supplementary resources such as additional exercises, answer keys and audio recordings of the sounds of Middle and Old Chinese.

Written by a highly experienced instructor, *A History of the Chinese Language* will be an essential resource for beginning students of Chinese Language and Linguistics and for anyone interested in the history and culture of China.
