## **Livia (Le Navi) (Italian Edition) Matthew Dennison**

Livia Drusilla Claudia fu moglie dell'imperatore Augusto e visse negli anni della trasformazione di Roma da repubblica a impero, testimone sia dei trionfi di Augusto che dell'epoca d'instabilità politica aperta dalla lotta per la successione. Deificata postuma nel 41 d.C., in vita Livia rappresentò per le matrone romane un modello di austerità e dedizione ai valori tradizionali. Ciononostante, i posteri non sono stati teneri con lei: autorevoli commentatori come Tacito, infatti, ne hanno restituito un'immagine di donna maligna e prepotente, votata all'intrigo e pronta a uccidere subdolamente uno a uno i suoi stessi familiari pur di spianare la strada verso il trono al figlio Tiberio, così da assicurarsi il controllo su Roma attraverso di lui. Matthew Dennison supera lacune e faziosità delle fonti, e in questa attenta ricostruzione biografica prova finalmente a rendere giustizia a una grande figura storica, dipingendone un ritratto appassionante ed equilibrato. In una società conservatrice e maschilista, nella quale le donne potevano essere ricordate solo quali esempi di virtù o vizio estremo, Livia seppe affermarsi come personaggio pubblico, gestì il proprio circolo di clientes e mantenne negli anni una sua sfera d'influenza riconosciuta: l'unico vero «crimine» di Livia non fu l'assassinio, dunque, ma l'esercizio del potere.
