Never Go Back Robert Goddard

In the spellbinding new mystery by the master of “the clever twist,” a group of ex-RAF comrades journey to a Scottish castle for a reunion. But by the time they reach their destination, two of them are dead.

Harry Barnett is leading a contented life in Vancouver with his wife and daughter when he is brought back to England by the death of his mother. He intends to spend just a few days sorting out her affairs when a chance meeting he will regret for the rest of his life makes him change his plans. Two old acquaintances from his National Service days track Harry down to his mother’s house — the last address they had for him. A lavish reunion has been organized to mark the fiftieth anniversary of their RAF days. Harry decides to go.

During the war, Harry and his fellow RAF conscripts spent three months in a Scottish castle where they acted as guinea pigs in a psychological experiment. The reunion is to take place in the same castle. It will be a chance to see friends, settle old scores and lay a few ghosts to rest.

The party begins on the train up to Aberdeen, until the apparent suicide of one of their number shatters the holiday atmosphere. Their arrival in Scotland seems under a cloud, and when another comrade dies soon after their arrival, Harry is gripped by a sense of foreboding. As well, the recollections of the old comrades of their time in the castle are frighteningly different, and unexplained events from 1955 still haunt them. As Harry tries to solve the mystery of what really happened fifty years ago, he uncovers an extraordinary secret that convinces him he will never leave the castle alive.

From the Trade Paperback edition.

Fern Marshall:

This Never Go Back is completely new way for you who has attention to look for some information mainly because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Never Go Back can be the light food in your case because the information inside this book is easy to get simply by anyone. These books create itself in the form that is reachable by anyone, sure I mean in the e-book contact form. People who think that in publication form make them feel sleepy even dizzy this e-book is the answer. So there isn't any in reading a e-book especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the item! Just read this e-book type for your better life in addition to knowledge.

Justin Tapscott:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Never Go Back can make you experience more interested to read.
