Nuevos misterios de la Historia (Spanish Edition)

Spencer Carter

Nuevos misterios de la Historia (Spanish Edition) Spencer Carter

Recent advancements in science have spurred new hypotheses for ancient mysteries that have baffled mankind for centuries, and this book explores those enigmas and their new explanations. Shedding light on questions such as *Was Tutankhamen's tomb guarded by a curse?* and *Was Stonehenge a prehistoric astronomical observatory?*, this guide discusses ancient civilizations, ruins, and legends—including Atlantis, the curse of the pharaohs, and the hidden Mayan cities—and proposes whether they are truth or myth.

Los recientes adelantos de la ciencia han permitido que surjan nuevas hipótesis para los misterios antiguos que han desconcertado a la humanidad por siglos, y este libro explora esos enigmas y sus nuevas explicaciones. Arrojando luz sobre preguntas como ¿Guardaba la tumba de Tutankamón una maldición? y ¿Fue Stonehenge un observatorio astronómico prehistórico?, esta guía discute las civilizaciones, ruinas y leyendas antiguas—incluyendo Atlántida, la maldición de los faraones y las ciudades ocultas de los Mayas—y propone si son verdad o mito.
