## The Art of Subtext: Beyond Plot (Art of...) Charles Baxter

Charles Baxter inaugurates *The Art of*, a new series on the craft of writing, with the wit and intelligence he brought to his celebrated book *Burning Down the House: Essays on Fiction*.

Fiction writer and essayist Charles Baxter's *The Art of Subtext: Beyond Plot* discusses and illustrates the hidden subtextual overtones and undertones in fictional works haunted by the unspoken, the suppressed, and the secreted. Using an array of examples from Melville and Dostoyevsky to contemporary writers Paula Fox, Edward P. Jones, and Lorrie Moore, Baxter explains how fiction writers create those visible and invisible details, how what is displayed evokes what is not displayed.

*The Art of Subtext* is part of *The Art of* series, a new line of books by important authors on the craft of writing, edited by Charles Baxter. Each book examines a singular, but often assumed or neglected, issue facing the contemporary writer of fiction, nonfiction, or poetry. *The Art of* series means to restore the art of criticism while illuminating the art of writing.
