Andrea's life is pretty close to perfect-she's the leading scorer on her soccer team, has great friends, and can't wait to start a new school year. Then her parents ruin everything by announcing that the family is moving to Scotland for a whole year! When Andrea gets there, she has to deal with a haunted castle, her stuttering problem, and some tough new soccer friends-who might not accept that the boy she is crushing on plays for a rival team. It's a perfect middle-grade tale of friendship, sports, and first love.
