A View of the Harbour (Virago Modern Classics)

Elizabeth Taylor

A View of the Harbour (Virago Modern Classics) Elizabeth Taylor

In the faded coastal village of Newby, everyone looks out for—and in on—each other, and beneath the deceptively sleepy exterior, passions run high. Beautiful divorcee Tory is painfully involved with her neighbor, Robert, while his wife Beth, Tory's best friend, is consumed by the worlds she creates in her novels, oblivious to the relationship developing next door. Their daughter Prudence is aware, however, and is appalled by the treachery she observes. Mrs. Bracey, an invalid whose grasp on life is slipping, forever peers from her window, constantly prodding her daughters for news of the outside world. And Lily Wilson, a lonely young widow, is frightened of her own home. Into their lives steps Bertram, a retired naval officer with the unfortunate capacity to inflict lasting damage while trying to do good.
