Angel Delaney Mysteries (3 Book Series) Patricia H. Rushford

From Book 1: Angel Delaney puts up a tough front-as a female police officer she must. She works for peace in her coastal Oregon town, but loathes the means she must sometimes use to get it. So when her line of duty requires her to use deadly force against a twelve-year-old boy, Angel's world begins to crumble.

The community wants answers, and Angel is dismayed to find that the media portrays her as a racist, a rogue cop, and a menace. While she works to clear her name and her conscience, the investigation into her use of deadly force creates more questions than answers.

The detective working on Angel's case, has his hands full when crucial evidence disappears and other people are found murdered. Do these killings relate to the boy's death? Is Angel next?

"Angel Delaney is a character with real staying power. The story will keep you flipping pages as you get caught up, not only in the police procedural, but also Angel's personal life. Can't wait for the next installment!"-James Scott Bell, author of A Higher Justice
