Cómo la vida imita al ajedrez (Spanish Edition) Garry Kasparov

Garry Kasparov, el gran maestro del tablero, explica cómo las soluciones a los problemas cotidianos requieren de las mismas artes y técnicas que el ajedrez: conocimiento, preparación, estrategia y cálculo de las variantes.

En el **ajedrez**, como en la realidad, es necesario analizar, descartar, organizar el pensamiento, comprender las acciones que pueden ocurrir, tener soluciones preparadas, saber concluir y estudiar todas las variantes posibles, ser capaz de hacer de la necesidad una virtud y entender las facultades del adversario para darles la vuelta en beneficio propio. Para ello es imprescindible contar con una férrea **disciplina, intuición y lógica** que nos faciliten el **acercamiento a los problemas** comunes. Igual que en la vida diaria, el conocimiento de la situación nos ayuda a vivir y a afrontar los retos con perspectivas de **éxito**.

Escrito desde el sentido común y la profunda **inteligencia estratégica** desarrollada durante la larga y brillante carrera del autor, este libro muestra la manera de avanzar paso a paso hacia el objetivo final; también cómo convertir una derrota en una futura victoria, cómo dar la vuelta a una situación comprometida y cómo prepararse para los grandes desafíos, siempre partiendo de situaciones reales de la dilatada experiencia de Kasparov y extrayendo las lecciones más pertinentes.
