El friso de la vida (Ilustrados) (Spanish Edition) Edvard Munch

Como una lluvia torrencial se desatan las palabras de Edvard Munch, uno de los artistas más polémicos e influyentes en la historia del arte contemporáneo. Su desbordante ingenio le llevó a plasmar pensamientos y emociones más allá de lienzos y grabados, en descarnados textos cargados de lirismo, que reflejan apreciaciones sobre el arte en general y su obra en particular, ambientes y figuras que dejaron huella en su excepcional sensibilidad.

El presente libro reúne una selección de sus textos, ilustrada por su propia obra, en una invitación a conocer el recorrido del prolífico artista noruego como si de una galería se tratara, una verdadera extensión de su Friso de la vida.
