My Sister Is a Werewolf Kathy Love

The sexy Young brothers may know a fang or two about the art of seduction, but their sister, Elizabeth, is positively mooning over a few issues of her own. . .

Bad Moon Rising

Elizabeth Young's brothers think they have it rough as vampires? Ha! Two words for them: unwanted hair. What werewolf Elizabeth craves is a normal life with a husband, kids, and less shaving. Unfortunately the vaccine she's researched isn't working yet. Worse, she's in heat--and soon every dangerous wolf pack for miles around will be at her door. To buy time, she needs to have sex, and often, with the first human male she can find. . .

Veterinarian Jensen Adler just meant to drown his sorrows, until a stunning, leather-clad brunette made him an offer he couldn't refuse. Now he's caught up in something really weird, definitely dangerous, and, okay, extremely hot. So his new girlfriend's hiding something (and she's a little freaky about the moon), but Jensen knows true love when he feels it, and this time, he's not giving up. . .no matter how hairy things get.
