Primal Calling Jillian Burns

Television-program host Serena Sandstone already has her bags checked for her flight out of Anchorage when she sees the "White Wolf"—and his animal attraction is overpowering....

Serena attributes her intense interest in sexy, scruffy bush pilot Max Taggert to journalistic instincts about his shadowy past. *Right*. She's prepared to go pretty far to get his story— and he's prepared to let her. Before long, they're feeling the heat in the Land of the Midnight Sun, until Max's past triggers a fight for survival neither of them ever expected!
