Suicídio E Sua Prevenção, O (Portuguese Edition) Jose Manoel Bertolote

Este livro busca sistematizar os conhecimentos sobre a realidade da assistência médica complementar no nosso país. A similaridade dos planos de saúde no Brasil com a realidade de outros países não passa de uma inferência equivocada. É intrigante constatar que sistemas públicos universais de nações de economias mais desenvolvidas do que a brasileira desestimulem a existência e a expansão dos planos e seguros privados, devido ao seu distanciamento dos valores de solidariedade, igualdade e justiça social. Para enfrentar o desafio, sem a pretensão do esgotamento do tema, mas com a aproximação necessária, convidamos o leitor a percorrer conosco as estruturas, as dinâmicas e o funcionamento dos planos e seguros de saúde no Brasil.
