Exchange-traded funds (ETFs) are the most dynamic new investing opportunity around. ETFs offer you an efficient, cost-effective, and convenient way to access returns both from emerging markets and from a wide range of other investment opportunities.

Experts Peter Sander and Scott Bobo, authors of the bestselling *The 100 Best Stocks You Can Buy* series, show you how to pick the best ETFs to strengthen your portfolio. With each recommendation, they provide a summary of the fund, its strengths and weaknesses, its component stocks, and facts and figures concerning its past performance. All this comes with a comprehensive introduction that outlines the basics of ETF trading. With the authors' help, you can create an investment strategy that concentrates on long-term asset allocation rather than merely short-term gain.
