Dr. Israel Knohl

The Divine Symphony: The Bible's Many Voices Dr. Israel Knohl

In this fascinating book, Knohl shares his understanding of how the Torah was edited into its final form. He bridges the gap between ancient Israel (c.1400-586 B.C.E.) and Second Temple times (c.536 B.C.E.-70 C.E.) by showing the continuity between these eras and the gradual evolution of the biblical worldview, which formed the foundation of later rabbinic Judaism. The book focuses on the editing of the Torah, interpreting the textual evidence, most notably contradictions and redundancies, to show that the idea of a pluralistic understanding of Revelation can be traced back to the editing of the Torah itself. Knohl's interpretation of biblical composition challenges a popular trend in contemporary biblical scholarship: the idea that ancient Israel never existed as a historical reality, but was invented and "retrojected" back in time by later Israelite priests as part of their national myth.

People who think that in reserve form make them feel tired even dizzy this book is the answer. So there is no in reading a e-book especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book kind for your better life in addition to knowledge.

Shelly Sampson:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Divine Symphony: The Bible's Many Voices can make you feel more
