Theorizing Feminist Policy (Gender and Politics Series)

Amy G. Mazur

Theorizing Feminist Policy (Gender and Politics Series) Amy G. Mazur

Theorizing Feminist Policy avoids the usual clash between feminist analysis and non-feminist social science in mapping out the new field of feminist comparative policy. Instead, it intersects empirical feminist policy analysis with non-feminist policy studies to define and contribute to this new and emerging field of study. Consulting a wide sweep of empirical and theoretical work, the book first defines Feminist Comparative Policy showing how it dialogs with the adjacent non-feminist areas of Comparative Public Policy, Comparative Politics, and Public Policy Studies. It then seeks then to strengthen one of the weakest links of this new area - the study of explicitly feminist government action. In the remaining chapters, the books defines feminist policy as a separate sector, with eight sub sectors. It develops a qualitative and comparative framework for analysing the profiles and styles of feminist policy in post industrial democracies and uses the framework to examine twenty seven different cases of feminist policy formation across thirteen different countries.
