Black Gay Man: Essays (Sexual Cultures)

Robert F. Reid-Pharr

Black Gay Man: Essays (Sexual Cultures) Robert F. Reid-Pharr

At turns autobiographical, political, literary, erotic, and humorous, *Black Gay Man* will spoil our preconceived notions of not only what it means to be black, gay and male but also what it means to be a contemporary intellectual. Both a celebration of black gay male identity as well as a powerful critique of the structures that allow for the production of that identity, *Black Gay Man* introduces the eloquent new voice of Robert Reid-Pharr in cultural criticism.

At once erudite and readable, the range of topics and positions taken up in *Black Gay Man* reflect the complexity of American life itself. Treating subjects as diverse as the Million Man March, interracial sex, anti-Semitism, turn of the century American intellectualism as well as literary and cultural figures ranging from Essex Hemphill and Audre Lorde to W.E.B. DuBois, Frantz Fanon and James Baldwin, *Black Gay Man* is a bold and nuanced attempt to question prevailing ideas about community, desire, politics and culture. Moving beyond critique, Reid-Pharr also pronounces upon the promises of a new America. With the publication of *Black Gay Man*, Robert Reid-Pharr is sure to take his place as one of this country's most exciting and challenging left intellectuals.
