**Christianity In Jewish Terms (Radical Traditions (Paperback))** Tikva Frymer-kensky, David Novak, Peter Ochs, David Sandmel, Michael Singer

Over the past few decades, there has been a dramatic and unprecedented shift in Jewish–Christian relations, including signs of a new, improved Christian attitude towards Jews. *Christianity in Jewish Terms* is a Jewish theological response to the profound changes that have taken place in Christian thought. The book is divided into ten chapters, each of which features a main essay, written by a Jewish scholar, that explores the meaning of a set of Christian beliefs. Following the essay are responses from a second Jewish scholar and a Christian scholar. Designed to generate new conversations within the American Jewish community and between the Jewish and Christian communities, *Christianity in Jewish Terms* lays the foundation for better understanding. It was named a Choice Outstanding Academic Book of 2001.
