Richard Ford

El heraldo de la tormenta (Umbriel narrativa) (Spanish Edition) Richard Ford

Es la primera parte de una trilogía que seducirá a los fans de Juego de Tronos y de la fantasía épica en general. «En un género a menudo ahogado por las convenciones, El heraldo de la tormenta es un soplo de aire fresco.» *Drying Ink*. Siete historias entrelazadas con personajes legendarios y fascinantes. Un asesino profesional con remordimientos de conciencia. Una doncella guerrera tan bella como letal. Una princesa que no sabe cómo escapar al matrimonio de conveniencia pactado por su padre. Un estudiante de brujería maltratado por su maestro. Un mercenario en busca de redención. Una golfilla callejera que intenta dominar el arte del robo... Todos ellos son vecinos de Steelhaven, un puerto de la costa meridional de los Estados Libres. Y sus vidas, como las del resto de habitantes de la ciudad, están a punto de sufrir la llegada de Massoum Abbasi, consejero militar de los príncipes del desierto que ha puesto todos sus conocimientos al servicio del brutal conquistador Amon Tugha. Fuego, sangre y magia son los ingredientes de El heraldo de la tormenta, inicio de una trilogía con la que Richard Ford ha tomado al asalto el mundo de la fantasía épica en la mejor tradición de George R.R. Martin y Patrick Rothfuss.
