Writing a letter to Santa is fairly simple; you make your case and list your hoped-for gifts. But if you're a hard-core fan like Ava, a letter to Santa is something entirely different. A simple New Year's note to the North Pole about some uneaten cookies kicks off a year-long correspondence between a young girl and the jolly guy in the red suit in this joyful epistolary picturebook. This holiday story is perfect for those who believe and those who remember the wonder of the season.
