Protection From Evil is a book that explores the latent powers of the mind/soul and what we can do to unleash them. Harmful spiritual forces come in many shapes and sizes. Some might appear benign or even safe, but that does not make them so. We all know that appearances can be deceiving. Protection From Evil teaches about the other entities with whom we share our planet and with whom, we interact, whether we like it or not. Protection From Evil exposes the mechanics and operations of the Occult. Protection From Evil is about teaching you spiritual/psychic self defense. Protection From Evil is a book of answers, how to recognize the true dangers that surround you and what you can do to properly defend yourself. This is not a book of flowery New Age psycho-babble. Spiritual warfare, similar to physical combat is never a nicety. Protection From Evil is a book about resistance.
