A Serious Call to a Devout and Holy Life

William Law

A Serious Call to a Devout and Holy Life William Law

Originally published at the beginning of the eighteenth-century Enlightenment, a time when rationalist criticism of religious belief was perhaps at its peak, William Law's **A Serious Call to a Devout and Holy Life** succeeded in inspiring the most cynical men of the age with its arguments in favor of a spiritual life. More than simply articulating a set of rules to live by, Law's book examines what it means to lead a Christian life and criticizes the perversion of Christian tenets by the Establishment—whether secular or spiritual—whose real aim is temporal power. With a preface by the Reverend William Sloane Coffin, Jr., whose own direct engagement in social causes still finds inspiration in Law's argument, **A Serious Call to a Devout and Holy Life** is a book that can still speak to our time.

From the Trade Paperback edition.
