David Como

## **Blown by the Spirit: Puritanism and the Emergence of an Antinomian Underground in Pre-Civil-War England** David Como

This study explores the intersection of politics, religious thought, and religious culture in pre-revolutionary England, using hitherto unknown or overlooked manuscripts and printed material to reconstruct and contextualize a forgotten but highly significant antinomian religious subculture that evolved at the margins of the early seventeenth-century puritan community. By reconstructing this story, *Blown by the Spirit* offers a major revision of current understanding of Puritanism and the puritan community. In the process, the author illuminates the obscure and tangled question of the origins of civil-war radicalism, thereby helping to explain the course, consequences, and ultimate failure of the English revolution.
