Hauntings of the Hudson River Valley: An Investigative Journey (Haunted America) Vincent T. Dacquino

Do spirits still stalk the Hudson River Valley? In *Hauntings of the Hudson River Valley*, Vincent Dacquino works determinedly to discover the true story behind three enigmatic folk legends: Sybil Ludington, Chief Daniel Nimham and George Denny. Each was the central figure in a dramatic series of events; each became enshrined in local lore for their actions; each has had their true story obscured; and each may have left behind a spiritual residue. Follow Dacquino as he interviews local experts, explores areas where hauntings may have occurred--such as Carmel's legendary Smalley's Inn--and digs deep into historical archives to open new windows into the lives and possible afterlives of these three mysterious characters. The truth is out there, hidden in remote, tucked-away corners of the valley...are you ready to uncover it?
