Muerte de un Unicornio (Spanish Edition) Nadia Dantes

Los unicornios fueron descubiertos en el año 2050 pero no eran inocentes o hermosos. Sí, eran blancos, poseían un cuerno capaz de curar las enfermedades y solo salían de sus escondites por una virgen sin embargo hasta aquí se acaban las similitudes entre la realidad y el mito de los unicornios.

No ha existido una criatura tan rapaz y corrupta como el unicornio. Destruyeron el mundo y sólo al destruirlos a todos el mundo podrá recuperarse.

En verdad agradezco que no sean puros y hermosos, si lo fuesen tal vez me sentiría culpable por todo lo que debo hacerles. No sólo es mi deber, como caballero virgen el cazarlos, es un placer.
