## **Famine and Foreigners: Ethiopia Since Live Aid** Peter Gill

The terrible 1984 famine in Ethiopia focused the world's attention on the country and the issue of aid as never before. Anyone over the age of 30 remembers something of the events - if not the original TV pictures, then Band Aid and Live Aid, Geldof and Bono. Peter Gill was the first journalist to reach the epicentre of the famine and one of the TV reporters who brought the tragedy to light. This book is the story of what happened to Ethiopia in the 25 years

following Live Aid: the place, the people, the westerners who have tried to help, and the wider multinational aid business that has come into being. We saved countless lives in the beginning and continued to save them now, but have we done much else to transform the lives of Ethiopia's poor and set them on a 'development' course that will enable the country to do without us?
