*Wildflowers have to be strong and resilient to bloom amid the rugged beauty of Wyoming – and so do the women.*

Valerie Trimarco is very pregnant, very lost, very alone, and very stuck in a Wyoming snow storm. Her car is jammed in a Wyoming ditch, with contractions coming faster and harder ... when her white knight in a cowboy hat arrives. Ranch foreman Jack Ralston's job is to handle anything that needs handling with cool, quiet competence, including a baby who's decided to enter the world right now.

A few years later, Valerie returns to the Slash-C Ranch of Knighton, Wyoming. Now a successful mommy blogger, she wants to thank the man who rescued her and delivered her beloved daughter. Okay, maybe she's wondered about him a time or two over the years. How could she not? So she conspires with his employers and friends to spring a surprise party on him for a proper thank you.

Yes, Jack can handle anything. Except a surprise party. And this open, energetic, talkative woman and her short-stuff kid who gets under his guard. Because they demand the one thing from him that he can't handle – love.

Jack's Heart brings emotional impact to this romantic comedy addition to the contemporary western romance collection Wyoming Wildflowers from award-winning and USA Today bestselling author Patricia McLinn.
