Excerpt from Life of Elder John Smith: With Some Account of the Rise and Progress of the Current Reformation

Many of the incidents related in the following pages were detailed to the Author by Elder Smith. While they are, for the most part, of a personal character, their bearing on certain great religious events, and their influence on the cause to which that remarkable man devoted his life, give them some historical interest and importance. From necessity, therefore, rather than from any design in the beginning, the writer has evolved from his subject a history, in part, of the origin and progress of the Reformation in Kentucky, which, notwithstanding its imperfections, he hopes will be acceptable to those of every name who are interested in the study or in the defense of the Faith once delivered to the saints.

He acknowledges with pleasure his indebtedness to many who, in various ways, aided him in collecting materials for the work.
