## **Omicidio Francesco Lorusso (Italian Edition)** Franca Menneas

Bologna, 11 marzo 1977: Pier Francesco Lorusso viene ucciso da un colpo di pistola. È il primo e unico morto ammazzato a Bologna in scontri di piazza dai tempi della Liberazione e quel proiettile segna indelebilmente la città imprimendole una ferita ancora oggi non del tutto rimarginata. Questo libro si propone di ricostruire la vita e la morte di quel ragazzo falciato una mattina in cui i giovani del movimento e le forze dell'ordine si affrontano nel pieno centro storico. L'episodio si inserisce in un contesto che vede da una parte le rivendicazioni dei "non garantiti" attanagliati dalla crisi economica e, sul versante opposto, il Partito comunista al governo della città, colpendo entrambi i fronti. Da queste pagine, basate sull'incrocio di atti giudiziari e testimonianze, perizie balistiche e necroscopiche, cronache dei giornali, documentazione letteraria, memorie e interviste, nasce una ricostruzione corale intessuta da voci diverse, talvolta contrapposte. Sono le voci che, messe a confronto, restituiscono il ritratto del movimento del '77, scavano nell'omicidio Lorusso e - per la prima volta -, ne ricostruiscono la successiva storia giudiziaria, andando alla ricerca delle ragioni per cui quel delitto è stato seguito da un "mancato processo" e quindi da una giustizia negata.
