The Dinosaur Club: A Novel William Heffernan

Jack Fallon's life is being downsized. His wife of twenty-four years is dumping him, and the only company he's ever worked for is about to do the same....The head honchos at Waters Cable have implemented a "workforce imbalance correction," which includes canning Jack and his coworkers, all of whom are middle-aged executives in the 50/50 class -- at least fifty years old and making \$50,000 or more. Refusing to become fossils, Fallon and his cohorts dub themselves "The Dinosaur Club," and prepare to strike like ferocious T-rexes. Using clandestine maneuvers, corporate intrigue, good old-fashioned office politics, and a secret weapon -- Samantha Moore, a beautiful young attorney -- The Dinosaur Club vows to reverse evolution and drive the company's greedy Young Turks into extinction.

Award-winning author William Heffernan puts a scathing spin on corporate America in a novel that is both hilarious and compellingly on the money.
