Finalist for the Flaherty-Dunnan First Novel Prize

Finalist for the Hurston/Wright Legacy Award

Mitchell S. Jackson grew up black in a neglected neighborhood in America's whitest city, Portland, Oregon. In the '90s, those streets and beyond had fallen under the shadow of crack cocaine and its familiar mayhem. In his commanding autobiographical novel, Mitchell writes what it was to come of age in that time and place, with a break-out voice that's nothing less than extraordinary.

The Residue Years switches between the perspectives of a young man, Champ, and his mother, Grace. Grace is just out of a drug treatment program, trying to stay clean and get her kids back. Champ is trying to do right by his mom and younger brothers, and dreams of reclaiming the only home he and his family have ever shared. But selling crack is the only sure way he knows to achieve his dream. In this world of few options and little opportunity, where love is your strength and your weakness, this family fights for family and against what tears one apart.

Honest in its portrayal, with cadences that dazzle, *The Residue Years* signals the arrival of a writer set to awe.

From reader reviews:

Preston Sloan:

Are you kind of stressful person, only have 10 or 15 minute in your time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you have problem with the book compared to can satisfy your short space of time to read it because all this time you only find book that need more time to be go through. The Residue Years can be your answer because it can be read by an individual who have those short time problems.

Sarah Frigo:

Is it an individual who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This The Residue Years can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your free time by reading in this new era is common not a nerd activity. So what these books have than the others?

Sherry Holsey:

Do you like reading a e-book? Confuse to looking for your best book? Or your book has been rare? Why so many query for the book? But any kind of people feel that they enjoy for reading. Some people likes studying, not only science book but additionally novel and The Residue Years or maybe others sources were given understanding for you. After you know how the fantastic a book, you feel wish to read more and more. Science guide was created for teacher or perhaps students especially. Those textbooks are helping them to put their knowledge. In various other case, beside science guide, any other book likes The Residue Years to make your spare time more colorful. Many types of book like this.

Dixie Santiago:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Residue Years can make you sense more interested to read.
