From the raging fires, five men emerge with extraordinary new powers. They are humankind's last hope . . . but they cannot survive this dark, ravaged world alone . . .

Quentin Fielding had everything. Money. Power. Women. But now that civilization is all but annihilated, Quent wants only one thing: revenge. Harnessing a strange new "gift," he embarks on a deadly mission to find the man responsible for the chaos and destruction, the man he should have killed years ago: his father. Only one thing stands in his way--a mysterious, arrow-wielding beauty . . .

Zoe Kapoor is on her own quest for vengeance, searching for the monstrous fiends who murdered her family. Soon she and Quent join together, journeying through the ruins of the world they once knew as a desperate desire builds between them. Drawing closer to an enemy they never imagined, Zoe and Quent must abandon all fear, abandon all regret, abandon the night . . .

"High-stakes action and sizzling romance." --Lara Adrian
