All Work. No Play

Robert P. Wills

All Work. No Play Robert P. Wills

As a writer, Robert P. Wills is often asked by his friends to include them as character in one of his stories. Sometimes that is not possible. As was the case with his friend, Jack. This book solves that problem- Jack is the one and only character. EVERYTHING revolves around Jack. As it should. In fact, "All work and no play makes Jack a dull boy." is the only content of this epic tome. Well, except for a few instances, that is. But you (or Jack) will have to search for them! SO- Now that the author's friend, Jack is happy, he wants to share the best gift anyone named Jack could get. With you. You're lucky that way. So-- Buy the book, put a book mark in it anywhere, then put it on your coffee table, end table, or bathroom. When your guests open it out of curiosity, they will be confused because it's the same sentence over and over (mostly). Confused guests are a good thing. Or, if you have a friend named Jack, this is the perfect gift for him.
