The importance of keeping Bible study related to witness is reinforced while participants are encouraged to practice spiritual disciplines arising out of Scripture for the purpose of changing habits and transforming lives. The study also emphasizes the rhythm of coming to God and going for God, of being in the Word and in the world individually and corporately. This study understands the growing Christian as under discipline in community and in ministry to the world. *Into the Word Into the World* approaches all experiences of life as opportunities for faithful witness and service.

discussion, and suggestions for creating and maintaining a caring climate in the study group.

Process suggestions in the teacher helps enable full participation by all members of the group as a result of disciplined daily study. A one-page plan for each of the weekly group sessions follows an established schedule and procedure, with an amount of time designated for each section in the plan.
