## **Hello Luv** Shawn Corey, Dorian Stevens

Sven and Lou were best friends until a botched robbery sent them down two different paths of life; Sven went to college, Lou went to prison. Now ten years later they reunite, but only because someone has kidnapped their love interests, and unlike any other kidnapping cash is not the ransom. They have to complete a mission, another robbery; a robbery involving people so deadly that one mistake would mean death to them and the people they love. With a hotshot detective on their trail and a plot that thickens every second, will Sven and Lou be able to cast their differences aside and get the job done—or will the lies, deceit, and downright deception be too much for them to handle as they slowly uncover the truth?
