## **History of The Arabs** Philip K. Hitti

This classic history of the Arab peoples is a work of great thoroughness and insight which contains much to satisfy general readers as well as scholars. Here is the story of the rise of Islam in the Middle Ages, its conquests, its empire, its time of greatness and of decay, unrolling one of the richest and most instructive panoramas in history.

For this reissue of the tenth edition, Walid Khalidi gives a brief overview of the history and content of the book, and emphasises the vital importance of Philip K. Hitti's magisterial and scholarly work to on-going attempts to bridge the Arab/Western cultural divide.
