## La rebelión catalana (eldiario.es Libros) (Spanish Edition) Antonio Baños

Este es un libro sobre Cataluña y su destino. El libro no tiene pretensiones científicas ni métodos académicos ni datos exhaustivos, y recurre a la ironía y al sentido del humor para tratar uno de los asuntos que más llena de seriedad y gravedad a tantos: el proceso independentista. Es una mezcla de ideas que pretende hacer más fácil, relajada y enriquecedora la discusión y la reflexión. Antonio Baños, barcelonés, es un catalán de los de toda la vida, que nunca fue nacionalista y a los que las patrias perdidas le daban mucha pereza: "Yo, que Dios me perdone, era federalista, pero los padres de la mejor España de la historia, con Aznar a la cabeza, son los que me han empujado a la sedición. Soy de los que creo que la rebelión catalana", afirma, "ha de ser completa y ha de llevarnos a reconstruir todos los discursos y todas las realidades, sistema productivo incluido. Y todo ello con alegría".
