Menéndez, rey de la Patagonia (Spanish Edition)

José Luis Alonso Marchante

Menéndez, rey de la Patagonia (Spanish Edition) José Luis Alonso Marchante

"Este es un libro definitivo sobre la verdad de lo ocurrido en el sur chileno y argentino conquistado por la civilización de origen europeo. El reparto de las tierras y el genocidio consumado con los pueblos originarios. Ya nadie —después de este acopio de pruebas— podrá señalar que las versiones críticas que surgieron a medida que se producían esos hechos eran exageradas o de pura imaginación. El autor nos presenta en especial lo que ocurrió en Chile, principalmente, pero también de su eco en la Argentina, o viceversa, en esta biografía exhaustiva del aprovechado español José Menéndez. También está aquí la historia del imperio económico de Menéndez-Braun, todo el proceso de cómo se cambia la vida de la fauna natural de la región y el capítulo de los “cazadores de indios”, crimen de los peores de nuestra historia conjunta chileno-argentina en ese verdadero paraíso de paisajes que es Tierra del Fuego y la Patagonia continental. Hasta se llegó al colmo: al “remate de indios”, como se había hecho durante la colonización española, con el remate de esclavos de origen africano. La “civilización” europea, occidental y cristiana. Aquí hay años de investigación, sabia y profunda, alejada de cualquier concepto ideológico. Basándose siempre en los principios de la ética y de la verdad histórica". Osvaldo Bayer
