All it takes is one freak to turn everything into a demonic ritual.

Sierra Fox, Book 3

Sierra Fox's relationship with sexy werewolf Jason Papan is going great, but it doesn't take a psychic to tell her someone's out to get her. As usual, though, there's too much else going on to worry about just another assassination attempt.

In addition to the demon-possessed freaks that still want her, a whole new bucket of trouble has been dumped in her path. The half-sister Sierra never knew she had isn't a typical teenager. Willow comes with supernatural baggage that grows heavier every time someone close to her dies. And the load gets bigger every time the police find the body of another young girl.

Now Sierra's not only dealing with the target on her own back, but the one that a power-hungry woman has painted on her poltergeist-magnet sister. As she finds herself drawn into the thick of a murder investigation, Sierra must face her deepest fears and embrace the darkest of her powers to overcome the looming threat. Or the prediction of her death might just come true.

Warning: Spook catching: never gets any easier, neither does trying to avoid being killed by a shadowy organization. Always expect the unexpected—dangerous vampires, poltergeists and demon-obsessed freaks. At least the werewolf is pleurably safe.
