The Rhythm of Success: How an Immigrant Produced his Own American Dream Emilio Estefan
From one of the most dynamic businessmen in the country: a motivational doctrine for those who want to make their most ambitious dreams come true.

Emilio Estefan-husband to singer Gloria Estefan and founder of the Latin pop legend Miami Sound Machine-is the embodiment of the American dream. He came to the United States as a Cuban refugee and went on to become one of the most successful producers in music history and a self-made entrepreneur.

Blessed with an optimistic outlook and an unwavering confidence in himself and his intuition, Emilio succeeds on his own terms, and now, in *The Rhythm of Success*, he establishes the guiding principles readers will need to start and grow their own business or climb the corporate ladder. Emilio imparts the basics needed to identify values, believe in ideas and establish plans that will last for a lifetime.
