The Bones Below

Sierra DeMulder

The Bones Below Sierra DeMulder

A clear voice of her generation, Sierra DeMulder's writing offers a gritty, sincere perspective on the subtle joys and modern pains of living. Her debut collection *The Bones Below* delicately carries the reader to a place of brutal, beautiful honesty. DeMulder's personal revelations complete a touching portrait of the young artist and her fearless exploration of the human experience, bare in its rawest and most tender forms. DeMulder possesses the most important quality a young writer can have, a unique voice. That voice exploded onto the national poetry scene. Sierra uses subtlety and tension the way photographers use angle. She will eat your heart out with a spoon. -Karen Finneyfrock, "Ceremony for the Choking Ghost" DeMulder is intensely personal. - Huffington Post violently passionate and sweet, deftly moving between the two modes. - The Lamron, New Journal of SUNY Geneseo
