The Dream World of H. P. Lovecraft: His Life, His Demons, His Universe Donald Tyson

Occult scholar Donald Tyson plumbs the depths of H. P. Lovecraft's cosmic visions and horrific dream world to examine, warts and all, the strange life of the man who created the *Necronomicon* and the Cthulhu mythos.

Lovecraft expressed disdain for magic and religion, and most of his biographers have dismissed the mystical side of his nature. This book redresses this imbalance. Here you will find the roots of Lovecraft's extraordinary cosmic vision laid bare. The dream-world sources for his mythic Old Ones are examined, along with the practical esoteric implications of Lovecraft's unique mythology. A man in fundamental conflict with himself, Lovecraft lived always on the brink of madness or suicide. Tyson reveals Lovecraft for what he truly was—a dreamer, an astral traveler, and the prophet of a New Age.

PRAISE:

"The Dream World of H. P. Lovecraft is a thought-provoking and intellectually stimulating book. Its fusion of sound biographical knowledge and critical insight makes it a must-read for Lovecraftians."

—S. T. JOSHI, LEADING AUTHORITY ON H. P. LOVECRAFT
