**The Economics of Football** Stephen Dobson, John Goddard

The second edition of this popular book presents a detailed economic analysis of professional football at club level, with new material included to reflect the development of the economics of professional football over the past ten years. Using a combination of economic reasoning and statistical and econometric analysis, the authors build upon the successes and strengths of the first edition to guide readers through the economic complexities and peculiarities of English club football. It uses a wide range of international comparisons to help emphasize both the broader relevance as well as the unique characteristics of the English experience. Topics covered include some of the most hotly debated issues currently surrounding professional football, including player salaries, the effects of management on team performance, betting on football, racial discrimination and the performance of football referees. This edition also features new chapters on the economics of international football, including the World Cup.

### **From reader reviews:**

#### **Mary Gines:**

The particular book The Economics of Football will bring one to the new experience of reading some sort of book. The author style to elucidate the idea is very unique. If you try to find new book to see, this book very suitable to you. The book The Economics of Football is much recommended to you you just read. You can also get the e-book in the official web site, so you can more easily to read the book.

#### **Walter Gagne:**

Playing with family in the park, coming to see the sea world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Economics of Football, you can enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't get it, oh come on its named reading friends.

#### **Marina Espinal:**

This The Economics of Football is great reserve for you because the content that is certainly full of information for you who have always deal with world and possess to make decision every minute. This book reveal it info accurately using great organize word or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with beautiful delivering sentences. Having The Economics of Football in your hand like keeping the world in your arm, details in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen small right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. occupied do you still doubt that?

#### **Kermit Moors:**

Many people spending their time frame by playing outside having friends, fun activity with family or just watching TV the entire day. You can have new activity to enjoy your whole day by reading through a book. Ugh, ya think reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smart phone. Like The Economics of Football which is keeping the e-book version. So , why not try out this book? Let's see.
