The Magic of Oz

L. Frank Baum

The Magic of Oz L. Frank Baum

Curiously enough, in the events which have taken place in the last few years in our “great outside world,” we may find incidents so marvelous and inspiring that I cannot hope to equal them with stories of The Land of Oz.

However, “The Magic of Oz” is really more strange and unusual than anything I have read or heard about on our side of The Great Sandy Desert which shuts us off from The Land of Oz, even during the past exciting years, so I hope it will appeal to your love of novelty.
