Apuntes autistas (Spanish Edition)

Alberto Fuguet

Apuntes autistas (Spanish Edition) Alberto Fuguet

Una autobiografía en clave, una declaración de principios, un remix emocional; un libro híbrido que se puede leer quizás como una novela de no-ficción o un testimonio arbitrario escrito desde la república del fan; un ensayo que ensaya y duda y opta; un diario de lecturas y películas de un crítico de cine que se transforma en escritor, y de un autor que sueña con filmar y lo logra. Viajar, mirar, leer y narrar son las partes, los capítulos, pero también los verbos que mejor se conjugan en Apuntes autistas. La reedición de este libro, que dio inicio a obras tan claves, personales y liminales como Missing: una investigación; Mi cuerpo es una celda; Cinémeta: una bitácora, y Tránsitos: una cartografía, deja claro que el mundo y la voz de Fuguet narrando ficción o haciendo crónica son siempre los mismos.
