El Retrato de una Dama (Spanish Edition) Henry James

Este ebook presenta "Retrato de una dama" con un sumario dinámico y detallado.

Retrato de una dama (The Portrait of a Lady) es una novela de Henry James, publicada originariamente de forma seriada durante los años 1880 y 1881, y como libro ese último año. La historia gira en torno a la joven y atractiva Isabel Archer, quien se ve obligada a trasladarse a Inglaterra desde su Estados Unidos natal. Una vez allí, establece distintas relaciones con otros americanos trasplantados, así como con la sociedad británica. La belleza y distinción de las que hace gala no pasan inadvertidas y son varios y de distinta laya los que la pretenden. Su elección final la llevará, paradójicamente, a poner de manifiesto toda su grandeza.

Henry James (1843 – 1916) fue un escritor y crítico literario estadounidense (aunque pasó mucho tiempo en Europa y se nacionalizó británico casi al final de su vida) de finales del siglo XIX y principios del XX, conocido por sus novelas y relatos basados en la técnica del punto de vista, que le permite el análisis psicológico de los personajes desde su interior. Fue hijo de Henry James Sr. y hermano menor del filósofo y psicólogo William James.
