Grimms' Fairy Tales (Macmillan Collector's Library Book 105) Brothers Grimm

For the past two centuries these delightful stories, gathered together and written down by brothers Jacob and Wilhelm Grimm, have entertained and frightened children and adults alike. The lives of Tom Thumb, Cinderella, Rumpelstiltskin and the Frog Prince form part of our common heritage: they stimulate the imagination and the heart, and linger at the back of our minds for a lifetime. They are funny, disturbing, wise and compassionate. They speak of joy and terror, happiness and revenge, love and violence.

Arthur Rackham's masterly illustrations have all been hand-coloured by Barbara Frith, one of Britain's leading colourists.

Designed to appeal to the booklover, Macmillan Collector's Library is a series of beautifully bound hardback gift editions of much loved classic titles. Bound in real cloth, printed on high quality paper, and featuring ribbon markers and gilt edges, Macmillan Collector's Library are books to love and treasure.
